• About the Institute :-

The great visionary Hon, V. G. Patil Saheb established Sanjeevan Gramin Vaidyakiya and Samajik Sahayata Sanchalit Arts, Commerce and Science College Onda in Vikramgad, the tribal, forested taluka of Palghar District, in 2002. College has pollution free environment with a total area of five acres, well equipped Gymnasium, Spacious Library with very good collection of books, encyclopedias etc. There is separate Auditorium, open air theatre, well equipped Science Laboratories, ICT lab, Botanical Garden, Canteen etc.

• About the Webinar:-

One day national level webinar on the topic of "Chemistry Safety and Security Management" through online mode. Laboratory safety work and chemical safety and security are very important in the laboratories for the student and faculty but some people do not take them seriously that's why we will go to arrange this webinar for students and faculty. Hence it becomes necessary to make the teaching and non-teaching staff familiar with digital platforms. So, it is one of the most essential steps towards avoiding the loss and try to improve our knowledge in the area of various types of laboratories and industries.
